Dear Parent(s):

Thank you for considering The Village Academy *North* for your child's care and education. We want to assure you that you will always be pleased with your decision to enroll your child here.

The Village Academy *North* is a new building, but not a new school. We have been providing the best early childhood education program in St Johns County for over 26 years through The Village Academysm. In 2007, we again were recognized with the "Best of St Augustine" award by the citizens of our community.

We have always been a curriculum-driven school, not a daycare. Our curriculum focuses on all aspects of your child's development: academic, social, emotional and physical. We are proud to provide the best-trained staff who create a caring, safe environment for your child. We know that we have to earn your trust every day.

The Village Academy is an equal opportunity service provider. For children, parents, and staff, we do not discriminate based on sex, age, religion, national origin, color, race, marital status, physical or mental disability or veteran status.

Please carefully read the Enrollment Agreement and the Parent Orientation Policies and Procedures Contract. The latter is our agreement with you.

Our hours of operation are from 6:30 am to 6:00 pm, Monday through Friday, except for those holidays specified in your Parent Policies contract. There will always be a member of administration available to answer your questions. Please feel free to talk with any of us, and especially with your teacher. We actively seek both your feedback and your direct involvement in your child's education.

Visit our web site often at www.village-academynorth.com. We will keep you up to date with current news and events through The Village Academy *North* newsletter. Also, you may always call if you have any questions.

We want to thank you for the trust you place in us.

Sincerely,

Babette A. Weaver
